

Regular Giving

Thank you for considering supporting St. John's new Cornerstone Centre. Regular giving is one of the most effective ways of supporting us; it is easy to set up and enables you to split your gift into manageable amounts, giving as much as you feel you can afford each month.

You can either give an instruction to your bank or building society to pay a regular amount into our account using the form below, or if you have internet banking, you can use the details below to set up your standing order, using your name as a reference. Please let us know when you have set up the instruction so we can check everything runs smoothly and thank you for your kindness!

We are very grateful for any donations we receive. They will make a real difference.
